

Special Portrait Offers For Children...

“Do You Think Your Child Is A Potential Model?”

Model agencies are looking for new child models all the time to take on their books. Who knows... your child might just be the next big star!

Your Child's session will provide you with enough variety of different poses and styles to enable you to present a mini portfolio to potential model agencies.

The Offer...

Your session is for approx 30 mins at one of our locations. We are shooting at Sandbanks beach and in the dunes as well as Bournemouth Gardens. All sessions are by appointment only. You can bring a change of outfits. You will see all the images taken on a CD slideshow and can select your favourite 20 images for your high res CD. Extra files only £5 each. Session fee is ONLY £99!

What You Need To Do NOW...

Contact our studio direct by email to check available dates and locations. Most sessions take place during the weeks' when the children are on half term or during school holiday periods.
